A FAMÍLIA PATO MUDOU DE CASA

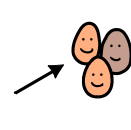

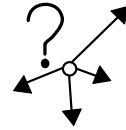

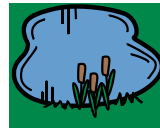

**1**

Uma família de patos vivia num

**1**

campo com um bonito lago, onde os

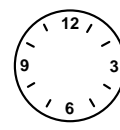

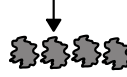

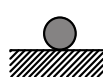

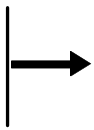

**a**

**e**

patinhos podiam aprender a nadar e

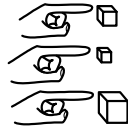

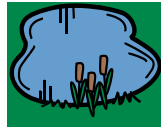

**a**

brincar. Mas, desde há algum tempo, a

&gt;

**X**

&lt;

**e**

água

do

lago

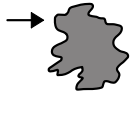

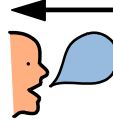

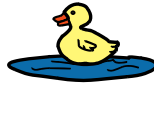

era

cada

vez

menos

e,

**O**

por

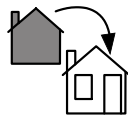

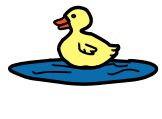

isso,

o

pai

pato

informou:

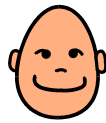

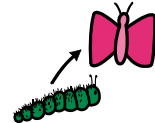

**a**

temos de mudar de casa!

A

mãe

pato

**1**

não

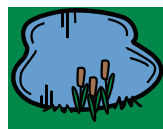

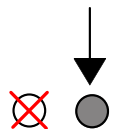

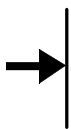

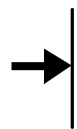

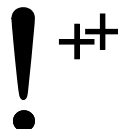

ficou

nada

contente.

Uma

mudança

**=**

para

outro

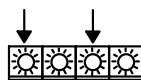

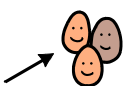

lago

seria

muito

perigosa

para

**a**

os

patinhos.

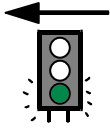

Alguns dias

mais tarde,

a

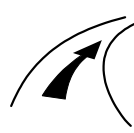

família

foi

acordada

por

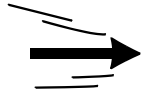

1

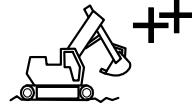

um grande

estrondo.

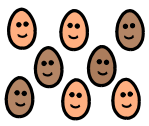

Subitamente,

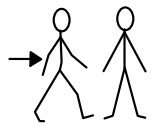

escavadoras

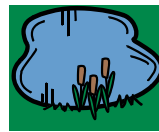

e

pessoas

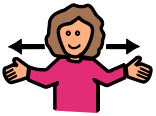

aproximavam-se do

lago.

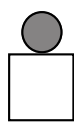

Já

não havia

água

no

lago!

a

A

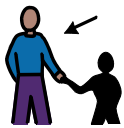

mãe

e

e

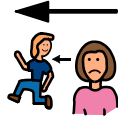

O

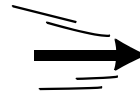

o pai

pato

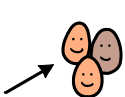

fugiam

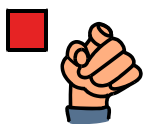

rapidamente

com

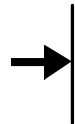

os

seus

patinhos

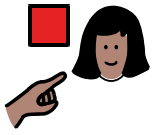

para

bem

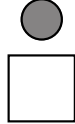

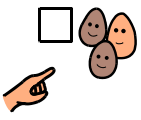

longe

daquela confusão quando uma grande rede

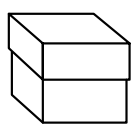

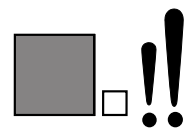

1

lhes caiu em cima. Umas grandes mãos

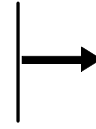

1

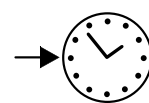

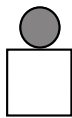

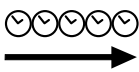

colocaram-nos dentro de uma enorme caixa.

a

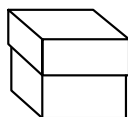

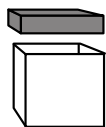

Muito nervosa, a família de patos

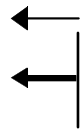

ficou muito tempo na escuridão até que

a

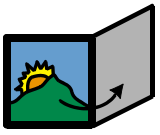

...

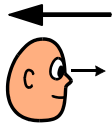

a

a tampa da caixa se voltou a

abrir.

Viram

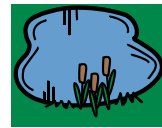

então

um

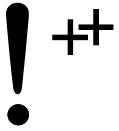

grande

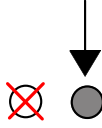

lago

com

muitos

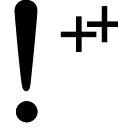

outros

patos.

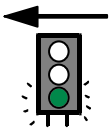

Com

muito

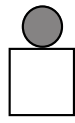

cuidado

foram

colocados

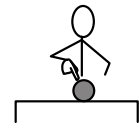

na

água.

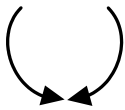

Mas

o que

tinha

acontecido?

O

seu

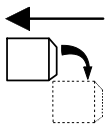

velho

lago

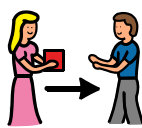

tinha

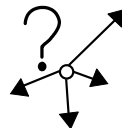

desaparecido

para

dar

lugar

a

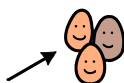

uma

estrada.

Mas,

os

patinhos

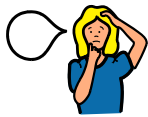

não

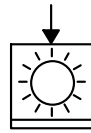

tinham

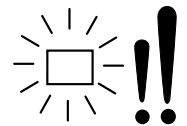

=

e

1

sido

esquecidos

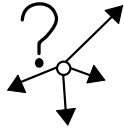

e

tinham

agora

uma

nova

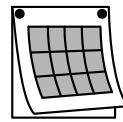

casa

onde

viviam

muito felizes.
