A OVELHA E A NUVEM

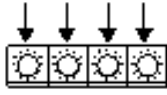

1

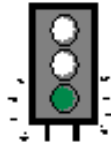

Era uma vez uma ovelha.

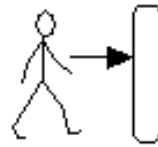

Todos os dias

ia

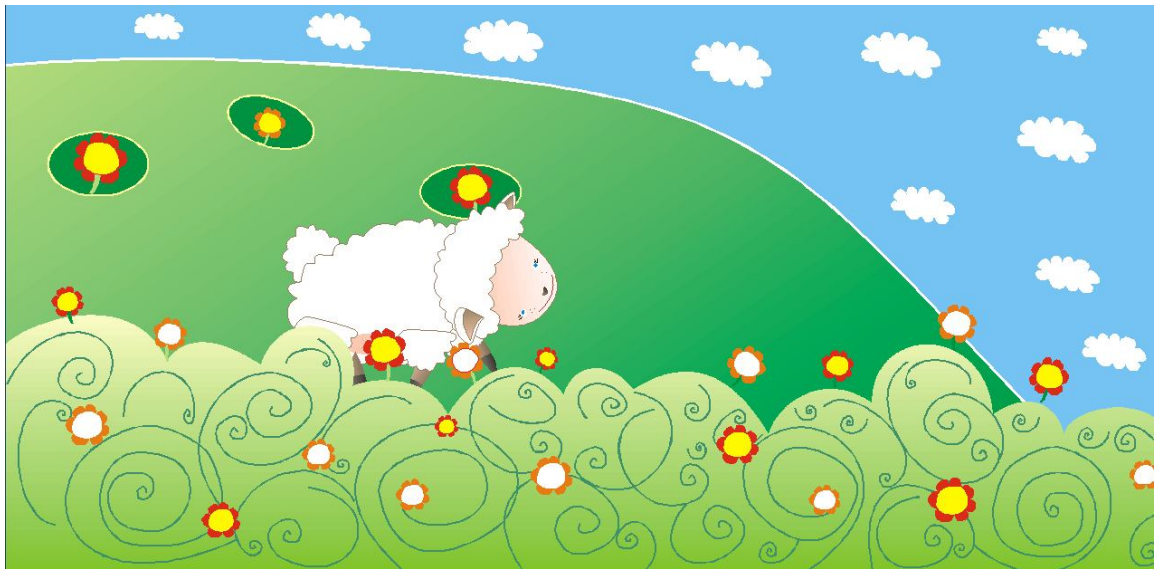

para

o

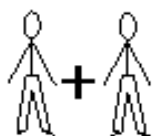

campo.

a  **>**  **e**  **e**  
À hora da sesta deitava-se e via as

 **a** 
nuvens a passar .

Pareciam

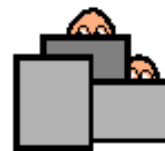

ovelhas

com

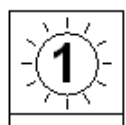

as pernas

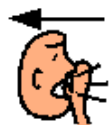

escondidas .

Um dia

chamou

1

uma

nuvem

e

disse :

eu

++

também

quero

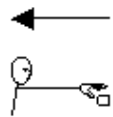

voar.

Quando

chegou

ao céu

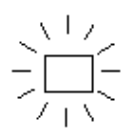

disse

olá

às

novas

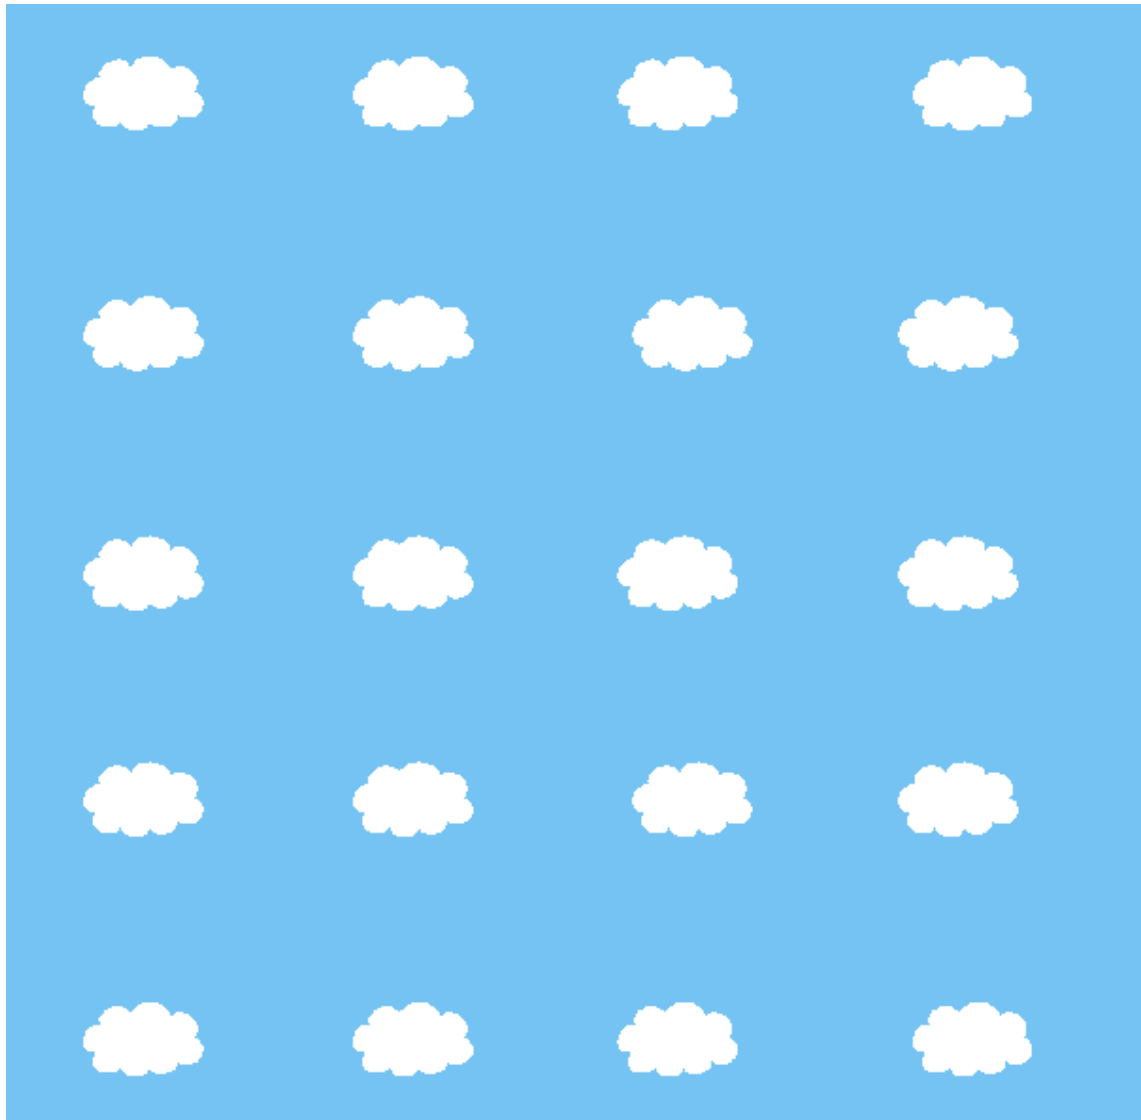

amigas.

 Escondeu  as pernas,  fechou  os  olhos  e  deixou-se

 ficar.

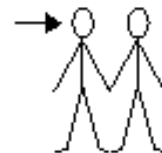

Será

assim

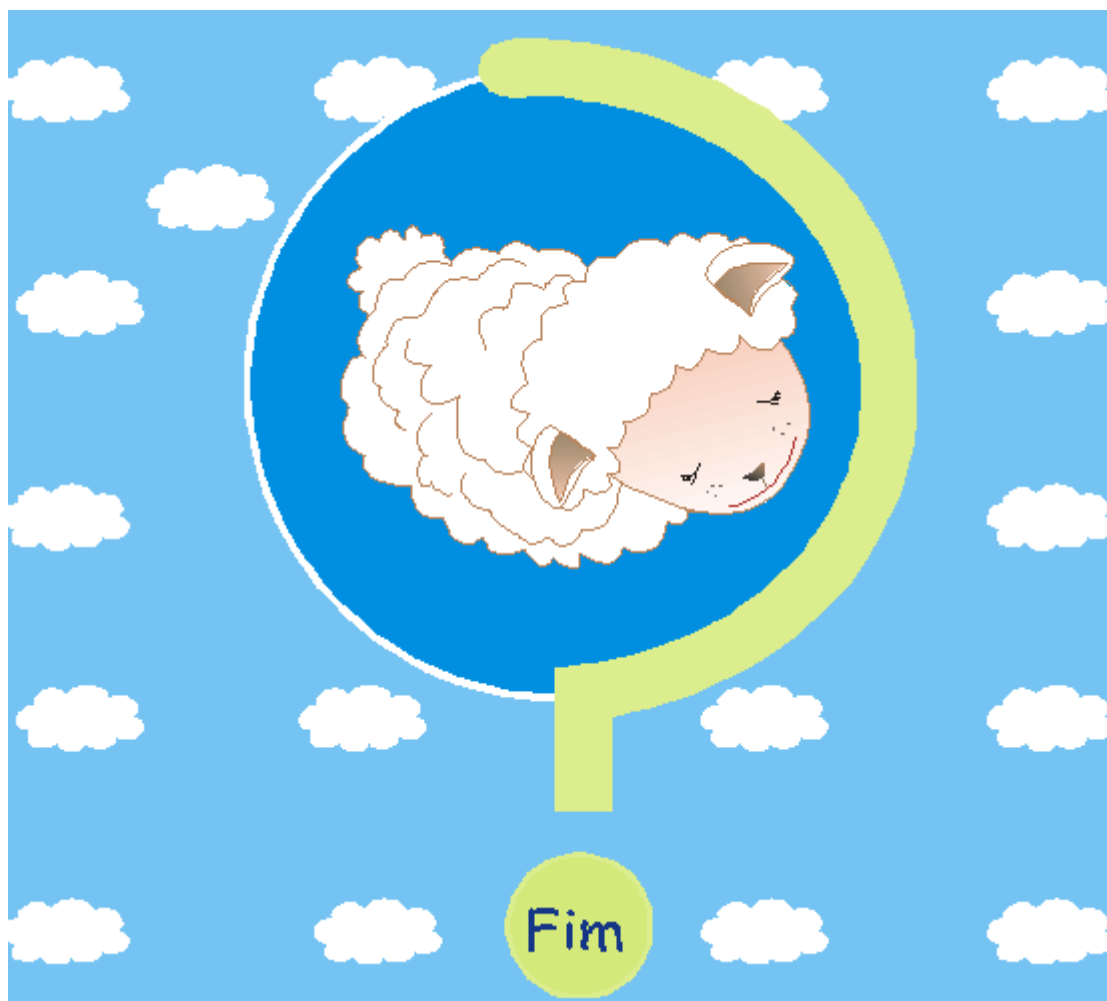

que nascem

as

nuvens?
